Serial 8.

Note. In lieu of Rem no 3229/1995, of 4th December 1886 the Resident paid the proportionate Cost of the Distillery Establishment annually debitable to the Cantonment of the C.M. Stn. of Bangalore, which was settled every three years on the basis of the proportion of quantity of arrack consumed in the C.M. Stn, as compared with the quantity consumed in the Mysore State during the preceding 3 years

When the establishment of the distillery was increased in 1889, the Govt. had to contribute the excluded amount. The Resident therein in his letter no. 3833/1994-5 (para 4) observed that the Resident would be obliged if a reference could be made to his office in future before the distillery establishment was actually increased. Sel. 34

Again, on a similar occasion, the Resident suggested in para 2 of his letter no 393/1994-5, of 6/2/92 that a previous reference should be made to the Residency when even the pay of the distillery was increased, obliged to accept the increased expenditure. Stated that Sel. 53

it was not a legitimate

out to be a legitimate

for the omission & Variation
and the charge was
accepted by the Residency
Sl. 61. in FAR's letter no 1168/1994 of
12th April 1892

—

On the above ~~circumstances~~ the pay & allowances
of Mr Darcy were continued to
be drawn as (500+60) = 560 Rs
till the end of December 94
in calculating the proportion
of the Cost. But for the
year 1895 only his pay at
Rs 500/- per month from
January to June & his
increased pay of Rs 600/-

for the remaining months of the year were taken into account in calculating the proportionate Cost instead of Rs 560 for all the 12 months as in previous years. (vide enclosure to No 153 — R.+ 118-92 of 19.5.96) Sl. 103

This was again objected to by the Residency on the ground that no provision was made to these, and the claim for the increased Cost was waived Sl. 104. (no 2573 of 15.7.96) Sl. 107 (14.94 R. 118-92 of 8.8.96)

In communicating to the P.C of the Cost of establishment payable by the Chiefs & the total Cost of the establishment in calculating the proportion for the 3 yrs commencing from 1st April 1896. it was said "from this however was taken already excluded the increase of Rs 100 lakhs
